

Establishment of National Commission for Human Resources for Health

The Central Government had proposed to set up National Commission for Higher Education and Research (NCHER) under the Ministry of Human Resource Development for higher education and the National Commission for Human Resources for Health (NCHRH) under the Ministry of Health & Family Welfare as an overarching regulatory body for medical education and allied health sciences with a dual purpose of reforming the current regulatory framework and enhancing the supply of skilled manpower in the health sector. The proposed Commission would subsume the existing councils viz., Medical Council of India, Dental Council of India, Nursing Council of India and Pharmacy Council of India.

After consultations with the stakeholders, a draft Cabinet Note and Bill are being finalized for further necessary action. The proposed NCHRH would also constitute a National Board for Health Education (NBHE) and a National Evaluation and Assessment Committee (NEAC) with a mandate to prescribe minimum standards for health education and developing and maintaining system of accreditation of health educational institutes respectively. Apart from this, National Councils have also been proposed to be set up under NCHRH to inter-alia ensure ethical standards among medical professionals.

The above information was given by the Minister of Health & Family Welfare Shri Ghulam Nabi Azad in the Rajy Sabha today.
